2. Weight are subject to variation of 5 -10 % as mentioned above.

Product & Services

There is always an opportunity to make difference

Our products HDPE Laminated Tarpaulins made are of different GSM quality material which is highlighted by quality codes on your request Sample Booklet will be provided. All our products are made from best quality of fabric tape that are highly durable & weather proof. We are producing & marketing GSM range from 110, 150, 180, 200, 230, 250 & 300. Higher GSM qualities enquiries can be accepted and will be supplied. We provide appropriate labels & logo prints on our entire range for easy identification. Our products features & application which are elaborated...

HDPE Tarpaulin

Tarpaulins are made from HDPE woven fabric laminated on both the sides with virgin quality LDPE. Tarpaulins are used as protective covering applications.

HDPE Laminated Rolls

We are producing 6 ft. & 8 ft. width HDPE Poly laminated Rolls widely used in retail outlets. Besides these Rolls are purchase by Heat Sealing Process/ Fabricators for making desired shapes, Scooter Covers, Small Bags etc.

Wagon Covers

HDPE Laminated fabrics duly made Wagon Covers as per design, specifications given by customer taking care in qualities & dimensions.

Tarpaulin Fumigation Cover

Fumigation Cover We are manufacturing qualitative fumigation covers, which are used in food grain warehouses of government, semi government and public sector undertakings, military, and many others can be used in godown & open space to protect food grains from insects, fungus & caterpillars. Cap covers.

Truck Tarpaulins Vehicle Covers

Truck Tarpaulins - HDPE Laminated Tarpaulins are made with using quality materials, suitable for Truck Tarpaulins covering applications for safe transportation of goods. Vehicle Covers - We manufacture various covers made for all types of vehicles, large or small. These covers are very protective in nature and thus keep the dirt, dust and pollution away from the vehicle.

Poultry Curtains/Brick Covers

We are offering wide assortment of Poultry Curtains that are available with Plain Sheets, hemming on any two sides with corner eyelets & with economical prices. Our company is involved in processing and supply of Brick Cover in HDPE Poly laminated Sheets.

Agricultural Produce

Widely use in Farms for pre & post harvest produces like food grains, pulses & covering other agricultural products, Soyabeen, Cotton, Tobacco Chillies etc. Also dunnage sheets use as underlaying to protect the grains from dust & heat generating.

Field Pond Lining

We are ardently engaged in manufacturing covers for Field Pond Lining. While manufacturing these Linings, we are using Geo Textile Fabric for Pond Lining as per requirement of the client. These are extensively used in water storage & water harvesting for agriculture use.
